INFORMATION.

EXPENSES: While the expenses of the Conference are considerable, not one cent will be charged to the ministers who attend. No fee whatever will be collected. Board and lodging at the Dormitory for a limited number may be had and will be provided approximately at cost; the charge for the entire time of the Conference being only \$3.75. Individual meals, 25 cents. In order to be certain of securing a room at the Dormitory, or in cottages run in connection therewith, persons proposing to attend should write in advance for reservation. The College will assist those who prefer to be out in town to secure what they want if they will write us.

COMMENCEMENT: The Conference is held Commencement Week. Persons desiring to do so may attend both at the same time. Their exercises will rarely conflict. The Commencement sermon will be preached Sunday morning, June 7th, by Dr. Shailer Mathews, Dean of the Divinity School of the University of Chicago. He will also preach the Y. M. C. A. sermon Sunday afternoon. The Conference will afford an opportunity of coming in touch with one of the Church's great colleges.

WHO SHOULD ATTEND: Every minister of the gospel, whether he preaches to a country or a city church. Every Presiding Elder should be present, because he should be thoroughly familiar with the rural church problem. We are all vitally concerned about the country church as a living question. The Conference is calculated to mark a great forward step in the history of our church in Arkansas and Oklahoma, for Oklahoma pastors are cordially invited to attend.
